

Thank you for your help. I appreciate you setting up a meeting between Mohammed Ali Abdallah, whose bio I have included, and staffers on the Subcommittee for the Middle East, North Africa, and International Terrorism. Mr. Abdallah is the Political Advisor for US Affairs to Libyan Prime Minister Fayez al-Sarraj, the head of the US- and UN-recognized Government of Libya. He is available to meet next week and can adjust his schedule accordingly.

Mr. Abdallah will be able to discuss a myriad of topics that are relevant to the issues you and your colleagues are working on as well as the current legislation. As a highly-regarded advisor by Prime Minister al-Sarraj and former Libyan Congressman, Mr. Abdallah will share with you a perspective and analysis on the current situation in Libya that few other experts in the US or Libya could provide.
